SERVICE PROJECTS

NICU Quilts

Our next charity giving project is to complete Quilts for the neonatal unit. These quilts need to be 32 to 36 in.² and must be flannel backed. Binding must be put on by machine. Here is an example of one that has been put together. We will collect these at our March meeting or you can drop them off at Ruthie's shop and she'll ensure they get to the Baby Quilters group

Due March 5, 2024 | Contact Ruthie Wasmuth

QUILTS OF VALOR

Members can make quilts for the Quilt of Valor Foundation. Quilts are presented to veterans and are generally made of red, white, and blue fabric, but not florals or kid's prints. Minimum size is 60 x 72 inches and must be all machine done. We have QOV labels available for the back.
